 Microsoft Advertising

Marketers are... 'doing more with less'

ECONOMY

Current realities of **inflation and economic uncertainty**

CONSUMERS

Fluctuating buying patterns and expectations for **personalization**

BUSINESS

Rising costs and increased pressure on marketing to **drive results**

MARKETING

Marketing budgets are still not on par with pre-pandemic levels

[How CMOs Are Spending Marketing Budget – and What It Means for You | Gartner](#)

In times where marketers are doing more with less, search remains valuable

Search is predictable and evergreen

82% of CMOs plan to increase paid search budgets¹

Search is cost-effective and drives a high ROI

You only pay when your customer clicks on your ad

Search is intent-driven

Your customers are looking for you

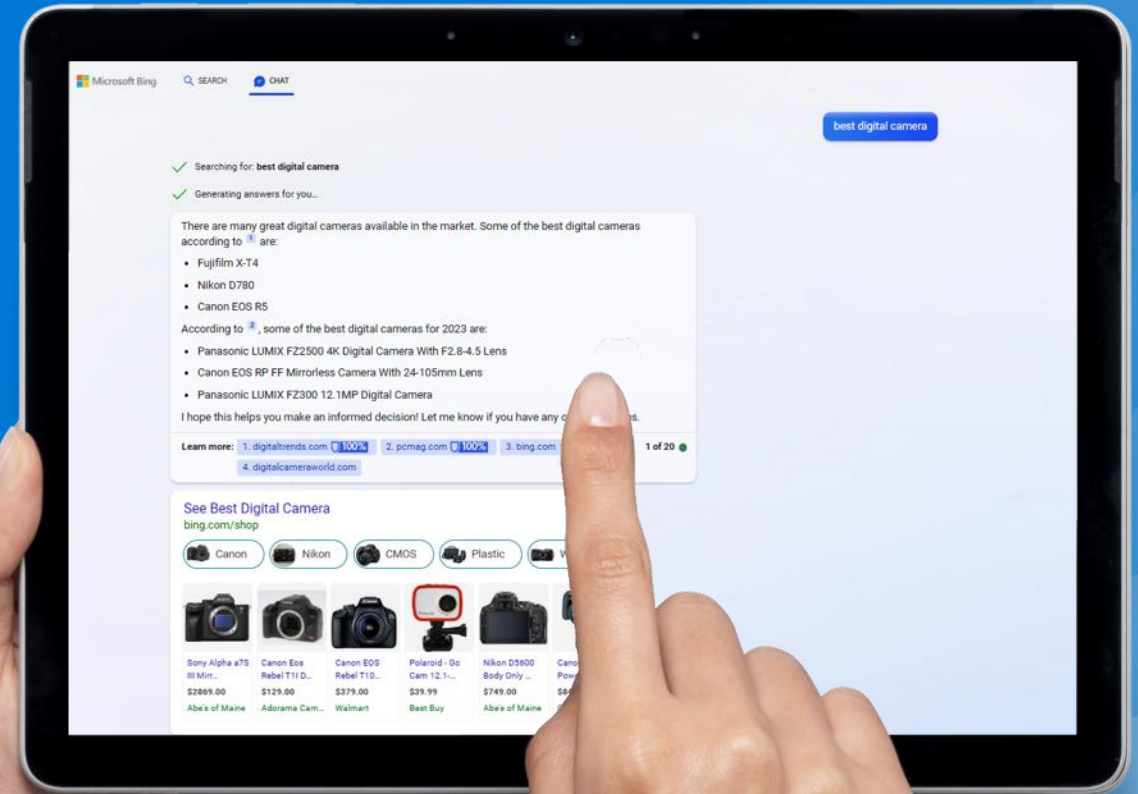

1. Forrester's Q3 B2C Marketing CMO Pulse Survey, 2022. Capitalize On Search Marketing's Evolution With Two New Reports (forrester.com).

The power of search intent

The largest focus group in history

When someone **searches** for something, it means they are **interested**.

It is one of the most powerful signals to inform marketing decisions.

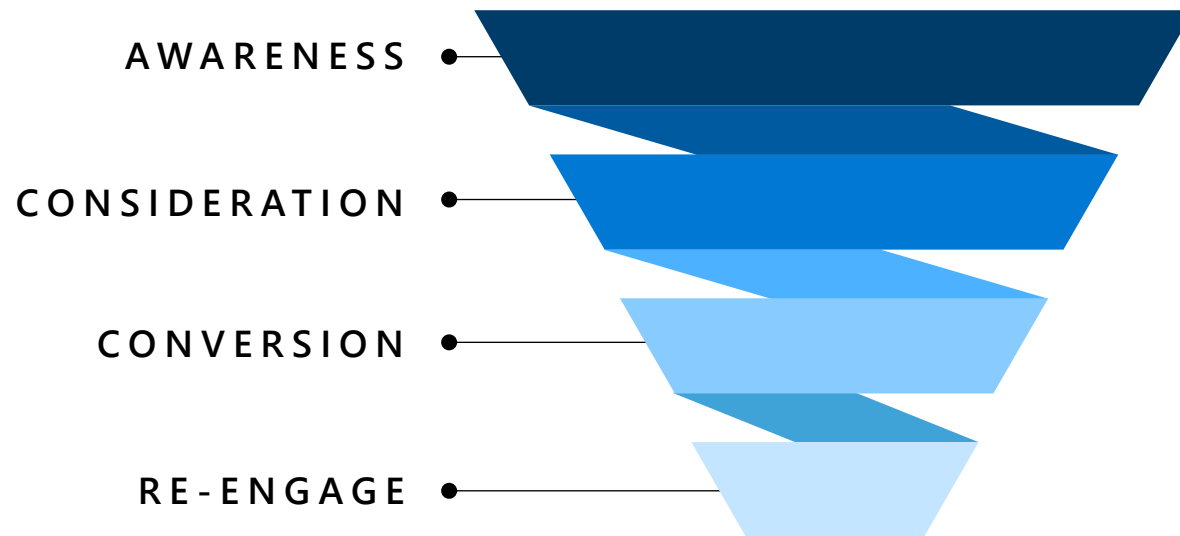

Unique audience intelligence that's only possible with Microsoft

Leverage billions of permissioned first-party data points, combined across multiple properties, to reach your best customers.

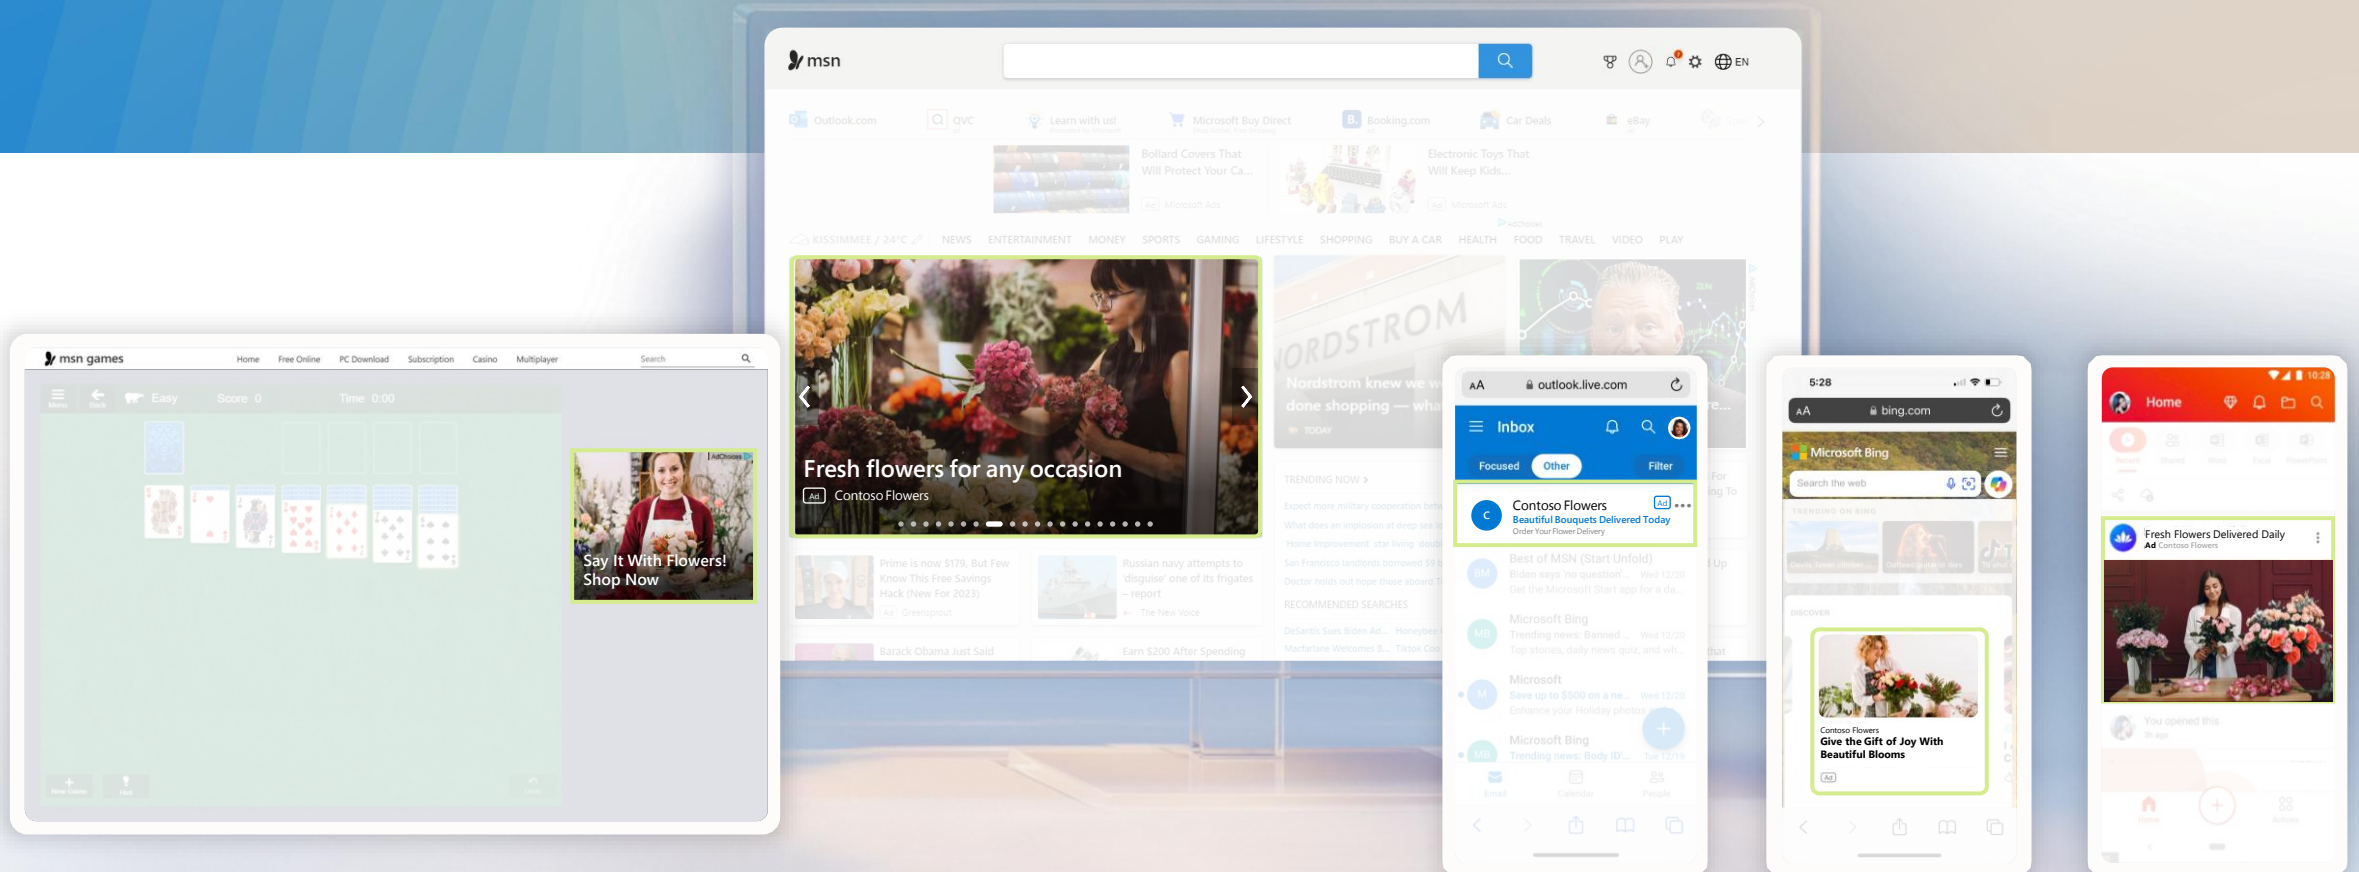

But it's not just about harnessing demand, you also need to generate new demand

Audience ads

Reach your ideal audience in beautiful placements across the web – all powered by Microsoft AI.

A massive ecosystem where people are spending time across work and life

Audience ads drive performance

This lift is amplified when combined with your search efforts.

Microsoft Internal Data, February 2022. Results may vary for each advertiser based on campaign settings, targeted audiences, and other factors. Lift metrics represent an average of all advertisers with completed lift studies to date. These advertisers may be a non-representative sample of all advertisers on the marketplace. Lift measured between exposed users and a control group of eligible unexposed users, with lift represented on a per-user basis. Average user count per advertiser study = 1M.

Meet your goals

Customize your strategy to meet your marketing objectives and optimize your campaigns.

		Ad formats	Connected TV	Video	Display	Native
		What it looks like				
MAXIMIZE REACH	MAXIMIZE CONVERSIONS	Bid strategy	Cost per completed view (CPCV) Set the highest amount you want to pay per completed view			
			Cost per thousand viewable impressions (CPM) Set the highest amount you want to pay for 1,000 viewable impressions			
			Enhanced cost per click (CPC) Set a bid you want to pay per click and automatically optimize in real time to increase your chance of conversion			
			Maximize conversions & target CPA Get as many conversions as possible – with an option to set a given CPA target			

It takes a few simple steps to get running:

1

Create your campaign.

Determine your objectives and ad formats.

2

Choose your targeting.

Get started with remarketing and in market audiences first.

3

Gather your assets.

Choose images and messaging that fit your campaign goals.

4

Set up your budgets and bids.

Align with the goals you are trying to reach.

Audience ads are built to help you succeed

Take advantage of rich **search intent data** to better understand your audience

Find your ideal customers and drive highly personalized messages with **industry-leading AI**

Amplify your marketing dollars and prove impact on **business objectives**
