

Perform and Transform: How to navigate and win across the three eras of the web

May 28, 2026

CODE OF CONDUCT

Microsoft's mission is to empower every person and every organization on the planet to achieve more. This includes all Microsoft events and gatherings, including on digital platforms and in person, where we seek to create a respectful, friendly, enjoyable, and inclusive experience for all participants.

We expect all event participants to uphold the principles of this Code of Conduct. The Code of Conduct applies to all aspects of the main event and any related activities, whether digital or in person.

Microsoft does not tolerate the following in any aspect of the event program, including business and social activities:

- Behavior that is disruptive, disrespectful, or degrading to others, including any messages, images, or interactions by anyone, in any form, regardless of location.
- Harassment or discrimination based on age, ancestry, color, gender identity or expression, national origin, physical or mental disability, religion, sexual orientation, or any other characteristic protected by applicable local laws, regulations, and ordinances.

- We encourage everyone to assist in creating a welcoming and safe environment. Please report any concerns, harassing behavior, or suspicious or disruptive activity to venue staff, the event host or owner, or the nearest event staff.
- We also encourage everyone to contact Microsoft's Business Conduct Hotline at any time if you feel anything or anyone is not following this Code of Conduct or is inconsistent with Microsoft's culture. The Hotline is available regardless of whether you are a Microsoft employee and can be reached at or +1 (877) 320-MSFT, or call collect outside the United States at +1 (720)-904-6844. Microsoft employees can also report any concerns to their Microsoft Manager.

Microsoft reserves the right to refuse admittance to or remove any person from a Microsoft event at any time at its sole discretion.

Grounding

Microsoft Grounding powers the world's leading AI systems – delivering the most accurate information about your business and products when consumers are discovering and deciding.

Generative Engine Optimization

SEO helps you get found in links. GEO helps you get cited in answers

What GEO is

Optimizing for AI citations and references in AI assistants and summaries

Ensuring content is structured, trustworthy, and easy for AI systems to ground to

Focused on answer visibility, not just clicks

Uses signals like authority, freshness, clarity, and attribution

Extends SEO into a world where AI is the interface to the internet

What GEO is not

Not a replacement for SEO—it builds on it

Not “gaming” AI systems or prompt hacking

Not paid advertising or sponsored placement

Not about stuffing keywords for models

Not limited to one platform
(it spans AI assistants across ecosystems)

GEO guidance to help maximize your visibility and selection in the grounded AI ecosystem

01

Get cited

Publish original and authoritative content, distinct expert POVs, and clear FAQs.

02

Signal credibility

Consistent brand info, reviews, and citations from sources AI trusts (e.g. Wikipedia, Reddit, review sites, etc).

03

Add structured data

Schema.org markup on product pages so agents read specs, price, and availability directly.

04

Track and iterate

Monitor citations and queries across top AI assistants with Clarity and Bing Webmaster Tools.

Looking for a night cream to help with dry skin, wrinkles, but won't cause breakouts. Compare the options.

For your needs, I recommend comparing **DENSITIUM Night Balm**, **DENSITIUM Cream**, and **SEBIACLEAR Hydra**. The **DENSITIUM Night Balm** is a nourishing, enveloping balm designed for mature dry skin with wrinkles, enriched with ultra-fragmented hyaluronic acid and bio-calcium to redensify and smooth skin overnight. The **DENSITIUM Cream** offers a softer, silky texture with similar anti-aging benefits, including wrinkle reduction and improved firmness, suitable for day and night use. Meanwhile, **SEBIACLEAR Hydra** is a cream-gel moisturizer ideal for acne-prone dry skin, soothing irritation without causing breakouts, making it a great option if you are concerned about acne while addressing dryness and wrinkles. Would you like details on application or ingredient specifics for any of these?
